	information previously learned to make connections, draw	
	conclusions, and generalize about what is read (e.g., transfer	
READ.9-10.2.1.4.a	knowledge of the concept of tragedy from one text to another).	Drawing Conclusions
	Make inferences based on implicit and explicit information	
	drawn from prior knowledge and text; provide justification for	
READ.9-10.2.1.5.a	inferences.	Drawing Conclusions
	Make predictions and inferences about an author's beliefs and	
	cite text-based evidence to support prediction/inference (e.g.,	
	find text passages that support an inference that the author	
READ.9-10.2.1.5.b	advocates economic change).	Conclusions and Predictions
	Make predictions and inferences about an author's beliefs and	
	cite text-based evidence to support prediction/inference (e.g.,	
	find text passages that support an inference that the author	
READ.9-10.2.1.5.b	advocates economic change).	Drawing Conclusions
	Read several accounts of the same event and make	
	inferences about the impact each would have on the reader	
	(e.g., discuss the emotional impact of a journal entry by a	
	soldier's parent, a letter from a Union or Confederate soldier,	
READ.9-10.2.1.5.c	and a newspaper article describing a Civil War battle).	Drawing Conclusions
	Select, from multiple choices, a prediction, inference, or	
READ.9-10.2.1.5.d	assumption that could be made from the text.	Conclusions and Predictions
	Select, from multiple choices, a prediction, inference, or	
READ.9-10.2.1.5.d	assumption that could be made from the text.	Drawing Conclusions
	Develop questions before, during, and after reading and use	
READ.9-10.2.1.6.b	knowledge of questioning strategies to locate answers.	Main Idea
READ.9-10.2.1.6.c	Use mental imagery while reading.	Main Idea
